RESTRICTIONS

- (1) Only U.S. citizens or permanent residents belonging to a U.S. organization are allowed access to the software. Foreign nationals are not permitted to use the software for any reason.
- (2) Each U.S. citizen or permanent resident who desires access to the software must sign this Non-Disclosure Agreement (NDA) form (attach additional sheets if necessary).
- (3) The software must reside on secure facilities (password protection at a minimum), and be readable only by individuals who have signed the NDA form.
- (4) The software is not allowed to leave the organization to which permission for its usage has been granted by NASA. No individual or organization is allowed to disseminate the software to anyone without NASA's consent.

Name of Organization: _____

Address: _____

Project: _____

I am a U.S. citizen/permanent resident and agree to the restrictions listed on this form:

Name of principal user: _____ Signature: _____

Phone: _____ Fax: _____

E-mail: _____ Date: _____

We are U.S. citizens/permanent residents and agree to the restrictions listed on this form:

Names of additional users (printed)	Signatures	Date
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Fax completed signed agreement to each of the following:

- (1) Commercial Technology Office, NASA Ames Research Center, M/S 202A-3, Moffett Field, CA 94035-1000.
Phone: (650) 604-0509, FAX: (650) 604-1592
- (2) Robert L. Meakin, NASA Ames Research Center, M/S 258-1, Moffett Field, CA 94035-1000.
Phone: (650) 604-3969, FAX: (650) 604-2238
